An aerial photograph capturing a serene sunset over a wide river. The sun is positioned in the upper left quadrant, casting a brilliant, shimmering reflection across the water's surface. The sky is filled with soft, wispy clouds in shades of orange, pink, and pale blue. In the lower right, a long, narrow wooden boat with a dark roof and railings is on the water. The far bank of the river is lined with a small village of houses with colorful roofs, surrounded by lush green trees and fields. The overall atmosphere is peaceful and picturesque.
